PORTFOLIO

SENIOR AUDIO ENGINEER
LIVE SOUND & STUDIO PRODUCTION

BERK KULA

SENIOR AUDIO ENGINEER |
STUDIO & LIVE MIXING

THE EXPERTISE

Since 2007, I have focused on the art of sound—balancing technical precision with artistic intent. I specialize in bridging the gap between meticulous studio mixing and the high-pressure energy of major live productions.

PROFESSIONAL FOCUS

- Live Mixing: Lead FOH & Monitor Engineering for international tours and festivals.
- Studio Engineering: High-end mixing and mastering for major labels and independent artists.
- Technical Engineering: Advanced Dante networking and RF/IEM coordination.

INTERNATIONAL PRESENCE

ISTANBUL | LONDON | BERLIN | STUTTGART | HAMBURG

Now relocating to Germany to deliver senior-level engineering services within the European ecosystem.

SELECTED PROJECTS

LIVE SOUND (FOH & Monitor)

- **Duman**: FOH Engineer (2015 - Present)
- **Zeynep Bastık**: Monitor Engineer (2023 - Present)
- **Melike Şahin**: Monitor Engineer (2022 – 2025)
- **Kaan Tangöze & Ari Barokas**: FOH Engineer (2016 - Present)

STUDIO ENGINEERING

- Project-Based Lead: Specialist in recording and mixing sessions at Babajim, Pür, Hayyam and Deneyevi Studios.
- Mastery of Sound: Expert-level studio recording and high-fidelity mixing for diverse independent and label productions.

TECHNICAL INFRASTRUCTURE

- Large-Scale Systems: Advanced management of massive PA systems and stadium-level acoustic environments.
- IEM & Wireless: Specialized in complex wireless monitoring (IEM) design and precision RF coordination.

STUDIO & LIVE MIXING

TECHNICAL MASTERY & PRODUCTION ENVIRONMENTS

SOUND SYSTEMS & AUDIO NETWORKING

- **System Engineering**: Advanced proficiency in design, tuning, and management of industry-standard PA systems: L-Acoustics, d&b audiotechnik, and JBL.
- **Network Integration**: Expert deployment of complex Dante-based digital audio networks for multi-stage festivals and arena tours.
- **RF Coordination**: High-precision frequency management for large-scale wireless monitoring (IEM) and microphone systems.

SOFTWARE & MIXING PLATFORMS

- **DAW Mastery**: High-level expertise in Pro Tools and Logic Pro for studio and live recording.
- **Console Environments**: Extensive experience with major digital mixing platforms: DiGiCo, Avid, Yamaha, Midas, and Soundcraft.

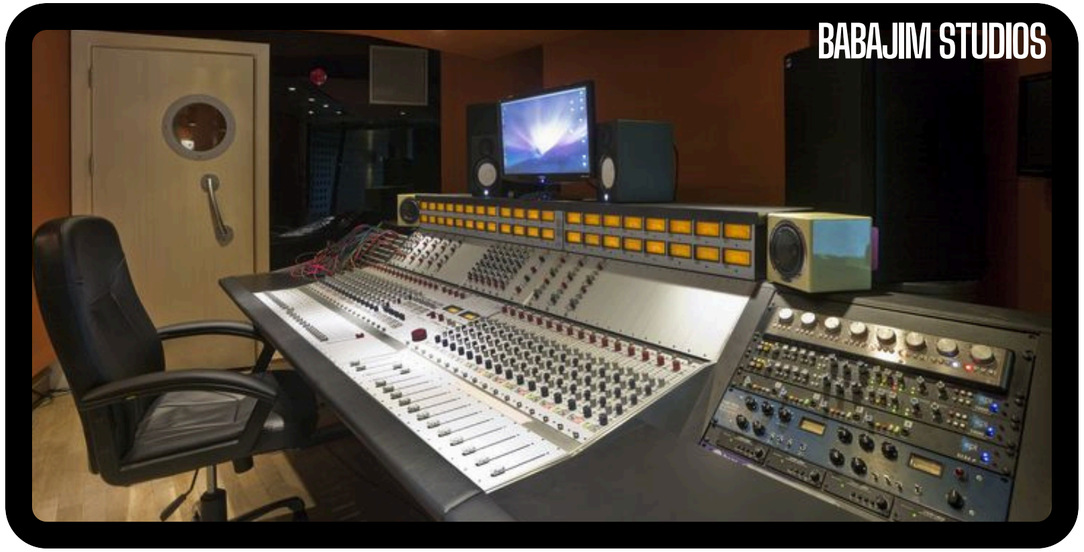

STUDIO PRODUCTION HUBS & PERSONAL SUITE

- **Private Mix Suite**: Owner and Lead Engineer of a fully-equipped professional studio dedicated to high-end mixing and post-production.
- **Industry Affiliations**: Frequent Lead Engineer for project-based recording at Türkiye's premier facilities: Babajim Istanbul, Pür, and Hayyam Studios.

STUDIO PRODUCTION & ENVIRONMENTS

PRIVATE MIX SUITE

- **Owner & Lead Engineer**: Operating a dedicated, fully-equipped professional studio environment designed for high-end mixing and post-production.
- **Specialization**: Advanced digital workflows, high-fidelity mixing, and artistic sound design for independent and label projects.

PREMIER STUDIO AFFILIATIONS

- **Project-Based Lead**: Frequent collaboration and engineering for large-scale recording sessions at Türkiye's most prestigious studio facilities:
  - Babajim Istanbul Studios
  - Pür Recording Studio
  - Hayyam Studios
- **Analog & Digital Expertise**: Seamless integration into high-end analog signal chains and large-format console environments.

STUDIO SERVICES

RECORDING, EDITING & MIXING

- **Recording**: Lead engineering for high-end tracking sessions at Türkiye's premier facilities: Babajim Istanbul, Pür, and Hayyam Studios.
- **Editing**: Precision editing and vocal tuning for independent and label productions, ensuring a polished and industry-standard foundation.
- **Mixing**: Advanced digital and analog mixing at my private suite, focused on high-fidelity sound and artistic balance.

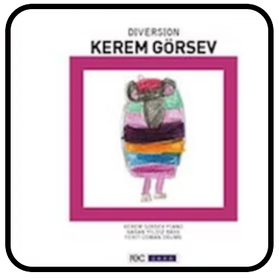

BERK KULA

SENIOR AUDIO ENGINEER |
STUDIO & LIVE MIXING

DUMAN

ROLE: FOH ENGINEER (2015 – PRESENT)

- Well-Known Arenas to Stadium-Scale Concerts
- Live Sound, FOH Mixing & Large-Format System Management
- Rigorous International Touring Discipline

BERK KULA

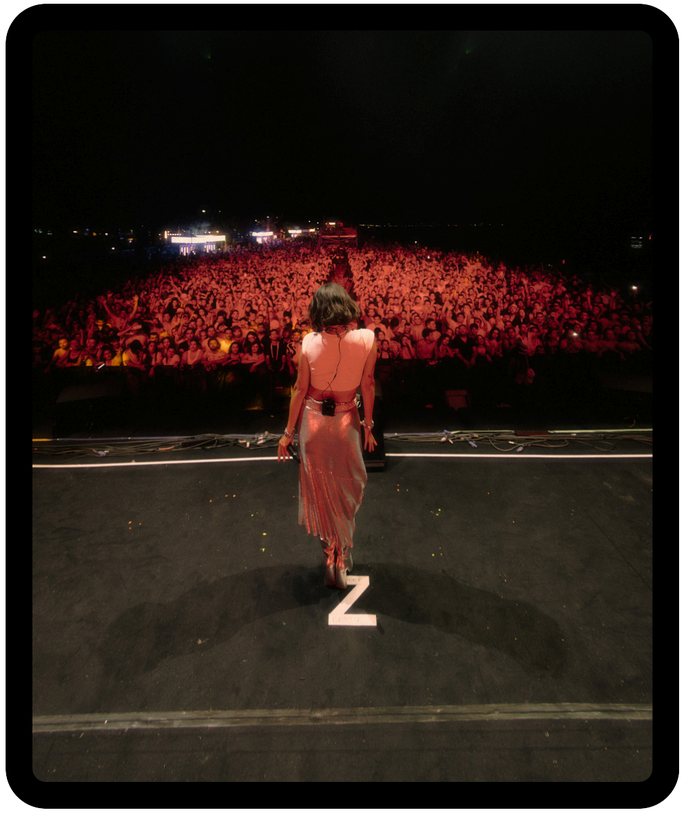

SENIOR AUDIO ENGINEER |
STUDIO & LIVE MIXING

ZEYNEP BASTIK

ROLE: MONITOR ENGINEER (2023 – PRESENT)

- Major Arenas & Prestigious Open-Air Productions
- High-Density IEM Systems & RF Coordination
- Touring & Technical Consistency

BERK KULA
SENIOR AUDIO ENGINEER |
STUDIO & LIVE MIXING

MELIKE SAHIN

ROLE: MONITOR ENGINEER (2022 – 2025)

- Major Arenas & Prestigious Open-Air Productions
- High-Density IEM Systems & RF Coordination
- Touring & Technical Consistency

BERK KULA

SENIOR AUDIO ENGINEER |
STUDIO & LIVE MIXING

KAAN TANGOZE

ROLE: FOH ENGINEER (2016 – PRESENT)

- National Club Tours to Large-Scale Concert Halls
- Live Sound, FOH Mixing & Medium/Large-Format System Management
- Touring & Technical Consistency

BERK KULA

SENIOR AUDIO ENGINEER |
STUDIO & LIVE MIXING

ARI BAROKAS

ROLE: FOH ENGINEER (2020 – PRESENT)

- National Club Tours to Large-Scale Concert Halls
- Live Sound, FOH Mixing & Medium/Large-Format System Management
- Touring & Technical Consistency

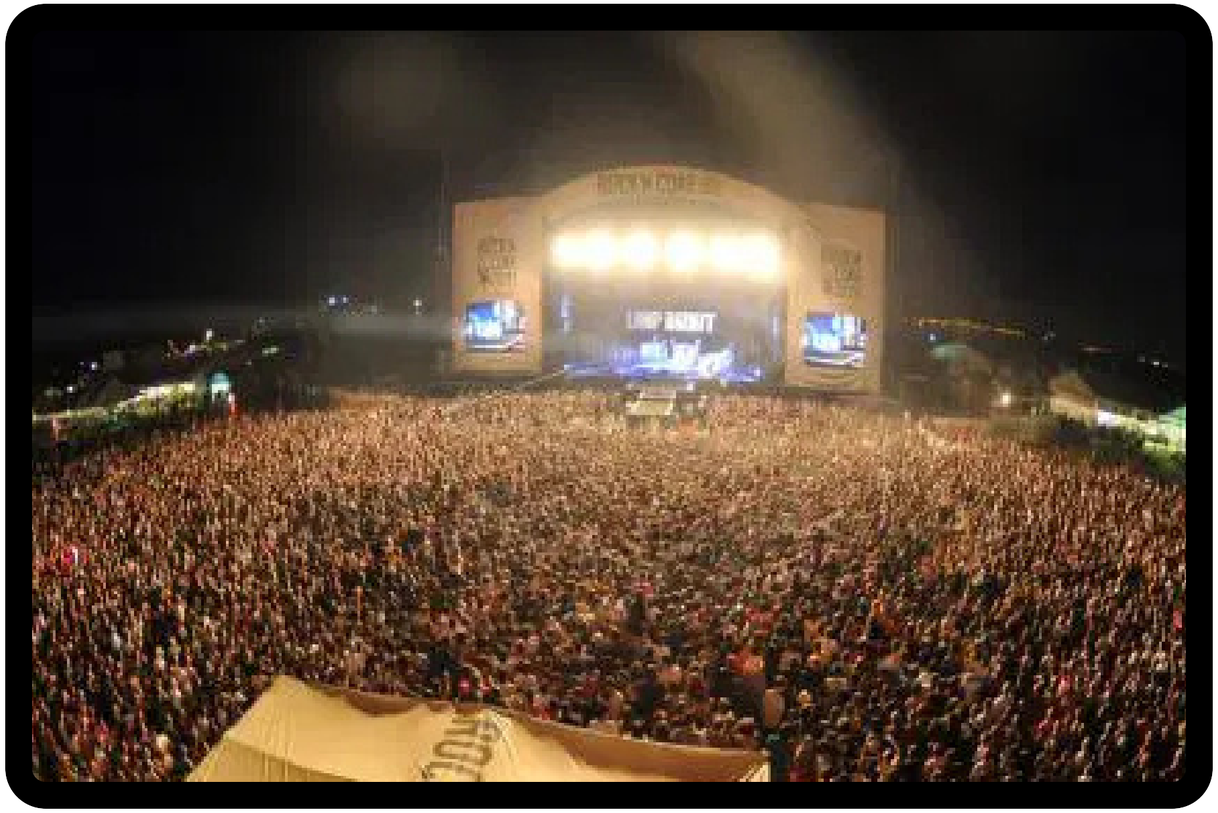

BERK KULA

SENIOR AUDIO ENGINEER |
STUDIO & LIVE MIXING

FESTIVAL & LARGE SCALE EVENTS

ROLE: FOH & MONITOR ENGINEER

- From Boutique Festivals (Akbank Jazz, IKSV Jazz) to 20,000+ Capacity Events (Rock'n Coke, Zeytinli Rock Festivali)
- Live Sound, FOH & Monitor Mixing for Multi-Act Lineups
- Technical Consistency Under High-Pressure Environments
