SUMMARY

Independent sound engineer based in Istanbul, working across live sound, studio recording and mixing since 2007.
With experience on over 1,000 live shows, my work spans concerts, tours, festivals and studio productions. I specialize in FOH and monitor engineering, alongside professional recording sessions and mixing services from my private mixing suite.
My approach is focused on delivering clear, balanced and natural sound while preserving the character and intention of the music.

EDUCATION

Bachelor of Business Administration (BBA)
Istanbul Bilgi University

SKILLS & EXPERTISE

Live Consoles: DiGiCo Quantum & SD-Series, Midas Heritage (Digital) & PRO Series, Yamaha Rivage/CL/QL, Avid S6L, Allen & Heath dLive.
DAW & Audio Networking: Avid Pro Tools (Expert), Apple Logic Pro, Dante (Digital Audio Networking).
Live Tools: Waves SuperRack, UAD Realtime Rack, SMAART, Wireless Workbench (WWB).
Hardware: Expert operational knowledge of SSL, Neve, and API analog consoles and hybrid signal routing.

LANGUAGES

Turkish: Native
English: Professional Working Proficiency
German: A2 (Elementary)

WORK EXPERIENCE

FOH ENGINEER
DUMAN 2015 – Present

- Primary engineer for Turkey's premier rock act for stadium tours and global festivals.
- Managing sonic architecture for audiences ranging from 3,000 to 60,000+.
- FOH engineering for international tours and festivals across Europe, including Germany, the Netherlands and the UK.

FOH ENGINEER
KAAN TANGÖZE & ARİ BAROKAS (Solo Projects) 2016 – Present

- Dedicated Front of House engineer for the solo performances of Duman's founding members.
- Managing sound for diverse setups ranging from raw acoustic solo performances to full-band alternative-rock arrangements.

MONITOR ENGINEER
ZEYNEP BASTIK 2023 – Present

- Managing high-fidelity IEM mixes and complex RF environments (Shure Axient Digital/Sennheiser) for high-scale arena pop productions.

MONITOR ENGINEER
MELİKE ŞAHİN 2022 – 2025

- Provided monitor engineering for live performances and European tour dates, focusing on vocal-centric IEM mixes.

SENIOR RECORDING & MIXING ENGINEER
FREELANCE 2007 – Present

- Credits on 70+ albums across rock, pop and jazz genres.
- Key Credits: Duman (Kufi), Şebnem Ferah (Benim Adım Orman), Teoman (İnsanlık Halleri), Kaan Tangöze (Aşık Mahzuni Şerif Türküleri), Mabel Matiz (Maya), Akbank Jazz Festival (30th Year Album).
- Project-based work at various professional studios and from my private mixing suite.
